

### **Building Strong and Sustainable Business Partnerships**

**Presented by National Center for College and Career Transitions (NC3T)**

**Dec. 6, 1-5 p.m.**

**Cost: \$150**

This highly interactive workshop covers the essential elements of building effective partnerships, including the core principles of partnership development; the nine partnership models; and how to find business partners in your community. Attendees receive a free copy of the *Employer Engagement Toolkit*.
