

Developing a College and Career Pathways System

Presented by National Center for College and Career Transitions (NC3T)

Dec. 6, 8 a.m.-Noon

Cost: \$150

An excellent opportunity for education and community leaders interested in creating a high-impact college/career pathways model in their schools. This session focuses on uncovering assets and gaps, assessing regional workforce needs, forming a community-wide leadership structure, creating meaningful programs of study, and developing an actionable phase-by-phase plan for implementation. Attendees receive a free copy of *The Power and Promise of Pathways*.
