Conference Within a Conference

The Postsecondary Event of the Year

The Association for Career and Technical Education® (ACTE®) is pleased to present a conference within a conference focused on the unique needs of the postsecondary career and technical education (CTE) professional.

VISION 2017 presents this collection of sessions that will provide a venue for exchanging bests practices, exploring multiple pathways to college preparedness and career readiness and networking with postsecondary peers.

Participants will also have the opportunity to attend the VISION general sessions, CareerTech Expo featuring 200+ vendor booths and the 300+ concurrent CTE sessions.

Plan also to attend the ACTE Postsecondary, Adult and Career Education (PACE) Division Business and Policy meetings. These are open to all attendees and are the best way to grow quality postsecondary CTE.
