

Preparing Students for College or Career

Your students can jump-start their future in an exciting, high-demand career in:

Information Technology

Health & Human Services

Manufacturing & the Trades

Business

Agriculture, Food &
Natural Resources*

"One of the greatest ways Destinations Career Academy serves my students is by showing them what is out there for their future. Destinations opens doors to career pathways and opportunities."

DAVEY SAPINSKI

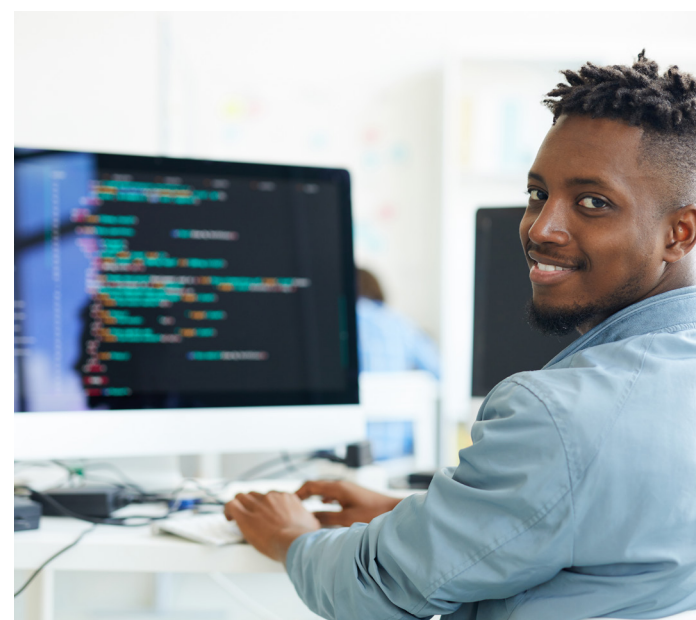

Technical Instructor
Medford Area School District
(WI)

STUDENTS CAN ENJOY THESE BENEFITS:

- Learn work-ready professional skills through a project-based curriculum

- Put professional skills into practice through career clubs

- Prepare for certifications that can lead to jobs after high school

- Gain work experience through job shadowing, internships, and apprenticeships

- Earn college credits to save money on the cost of college**

Learn more DestinationsAcademy.com/school-districts or **855.977.8452**

*Specific pathways vary by state; contact us to learn more

**Eligible high school students may earn college credits on select courses
